

Quality Shareholders #5

Dear Valued Shareholder,

Since listing, we have always strived to attract interests from people that hold the same value investing principles and mindset as we do. Today, as per our ASX announcement, we are pleased to announce [Lawrence Cunningham](#), Research Professor of Law at the George Washington University, and [William Thorndike](#), Founder and Managing Director of Housatonic Partners, as guest speakers at our AGM.

Both Lawrence and William became aware of us through our Quality Shareholders emails, and we are honoured to have spoken to them. We are delighted to have them speak at our AGM on 8th October 2021.

Further details on Lawrence and William can be found in our ASX release [here](#).

Yours sincerely,
